Waiver Questionnaire - Patent Evaluation

TITLE OF INVENTION _____

NASA CASE NO. _____ CONTRACT NO. _____ WAIVER NO. W- _____

Please complete the questions below regarding waiver of rights to the above-identified invention. This questionnaire should be returned to the Inventions and Contributions Board along with the waiver questionnaires completed by the Technical Evaluator and the Technology Utilization Officer. Please review all questionnaires for completeness.

1. Has there been any disclosure, use or publication (*Tech Brief, Contract Report, press release, Tech Support package, etc.*) of the invention? (*If yes, what are the dates and places of the disclosure, use or publication?*)

2. If there has been disclosure, use or publication, was the act a public disclosure, public use, or a circulated or distributed publication?

3. If there has been no disclosure, use or publication of the invention, do you recommend that the application be foreign filed? (*If no, why not?*)

4. Please comment as to whether waiver should be granted or denied.

5. If an Invention Evaluation Questionnaire is available, please attach a copy.
